

CHDDLNU C05-350

## Network USB Storage Adapter

This Network USB Storage Adapter connects any USB storage device to your network. You can copy files from any computer in your network to a USB hard drive or flash drive or vice versa. The device is also suitable to connect your (Grab'n'Go) media player to the network or even a print server.

### Highlights

- Supports FAT32 and NTFS file systems
- RJ-45 network interface (compatible with any 10/100mbps or gigabit network)
- USB 1.1 and 2.0 compliant
- Suitable for the complete Grab 'n' Go Collection
